# APPLIED DOCTORATE

**An online Applied Doctorate designed for  
Industry Experts**

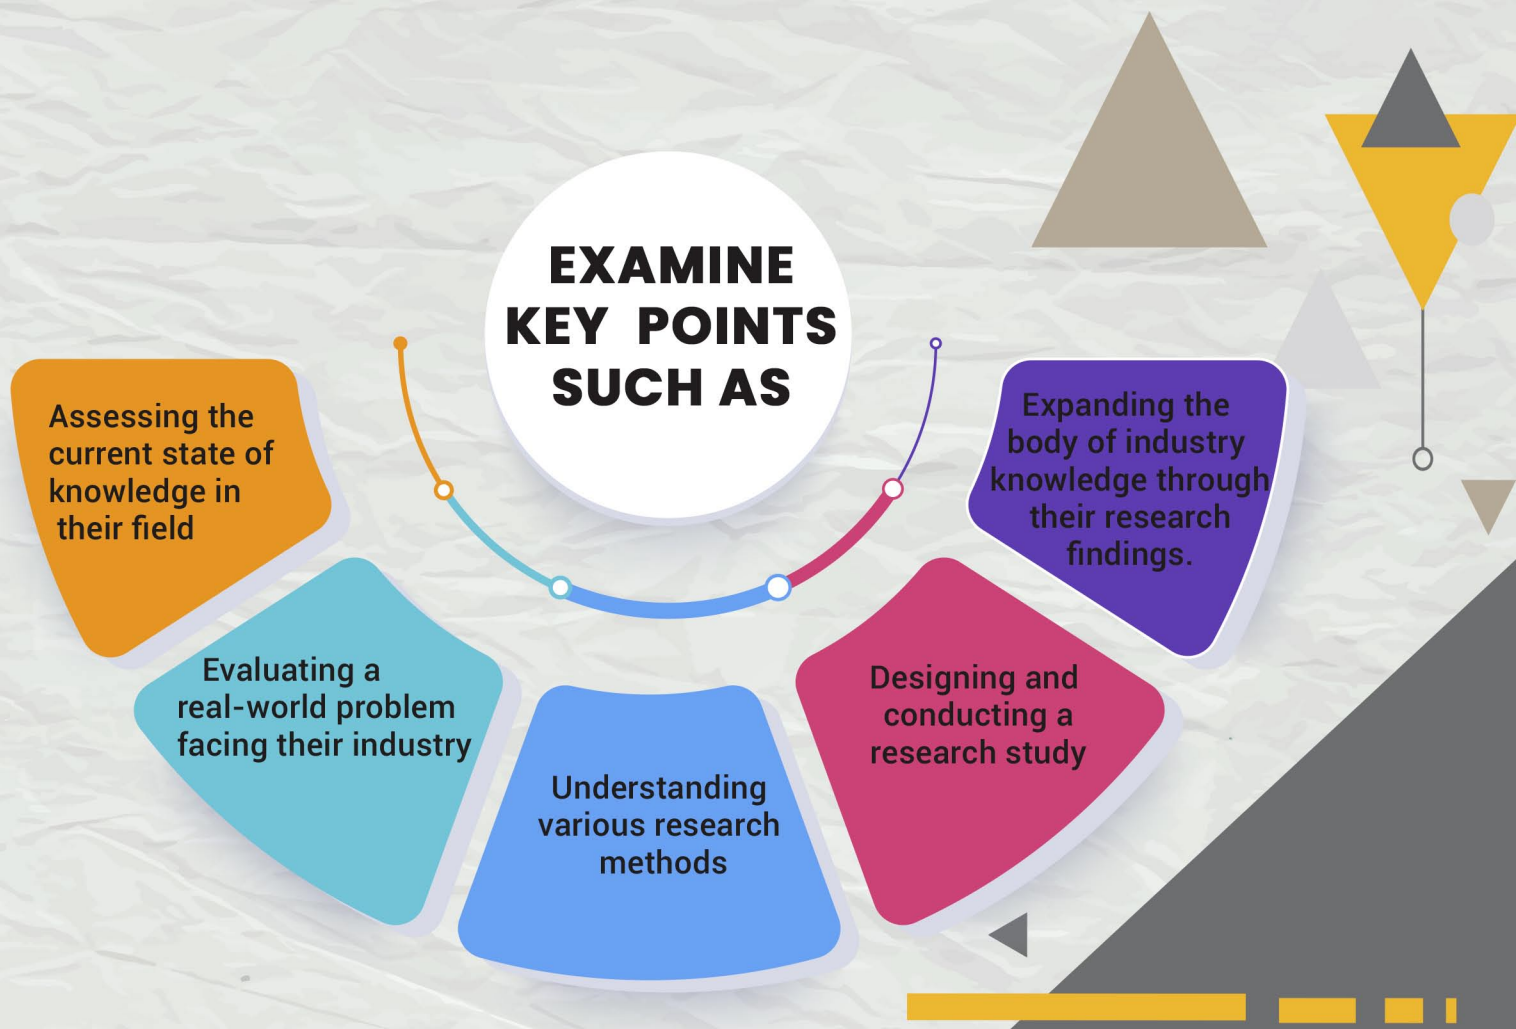

**Degree will be conferred by an esteemed  
international university**

*“An investment in knowledge pays the best interest.” – Benjamin Franklin*

# Overview

If you are willing to make effective use of your industry skills and employ existing knowledge in unique ways to your professional field, then this Applied Doctorate will provide you with the requisite knowledge to help you achieve that. The online independent research phase differentiates the Applied Doctorate from a PhD degree and adds more to your expertise. Applied Doctorate recognizes your practical work experience and mastery of areas (such as curriculum and instruction, educational administration, special education, teaching etc.) and mainly lets you further explore the ways to apply the existing theories and knowledge to your area of work to strengthen your professional practice and qualify you for top positions within your field.

# About Asian College of Teachers (ACT)

As an award-winning institution, we, at Asian College of Teachers, provide research-led teacher education and promote collaboration and knowledge sharing with an emphasis on high quality teaching and learning. An ACT student experience is highly sought after by teaching aspirants and valued by employers across the globe. Our teaching and learning go beyond boundaries having 50,000+ alumni base across the globe and we, at Asian College of Teachers, support our students to build excellent careers, with lifelong placement assistance.

## About the Universities

Asian College of Teachers (ACT) in academic collaboration with a range of global universities offers Bachelor's & Master's degree programs alongside Applied Doctorate. You can now advance your career with affordable and flexible degree programs from leading international universities. You will receive the degree from an accredited university that is recognized worldwide and drives excellence in education. These globally recognized universities are private, independent higher education providers and their programs and services are internationally benchmarked through the audit and quality assurance processes, carried out by the Ministry of Higher Education and world renowned accrediting bodies.

## Objectives

- To deepen your understanding of the functional disciplines of your profession
- To participate in action research based on real-world issues related to your current work
- To provide practical solutions to current issues
- To serve as an authority and leader in your profession
- To promote positive change in your industry

## Outcomes

**By the end of this course, students will be able to:**

- Increase professional expertise in the workplace
- Gain an increased sense of confidence in a specialized field of work/career
- Enhance specific job-related skills and competencies
- Create unique competitive advantage
- Contribute efficiently with such a ground-breaking qualification

# What does a Applied Doctorate comprise?

An important difference in the format of Applied Doctorate is that there is no need for increased subject-specific training as you are already a subject matter expert with your years of experience.

## **ACT's Applied Doctorate involves the following stages:**

- ✓ Complete the Point Based Application form to check your eligibility
- ✓ Coursework 1 – Steps in Research Design\* - 30 Credits
- ✓ Coursework 2 – Understanding Education as a Discipline\* - 30 Credits
- ✓ Complete a Research Paper of 15,000 words – 90 Credits
- ✓ A live online Thesis Defense in front of a panel – 30 Credits

### **Total – 180 Credits**

\*Through the course work, an individual will become familiar with the theoretical problems relevant to their professional field and reflect on how they can integrate these into their own research project.

# Awarding Body

The Applied Doctorate degree will be conferred by a reputed international university.

The globally recognized university is a private, independent higher education provider and its programs and services are internationally benchmarked through the audit and quality assurance processes, carried out by the Ministry of Higher Education and world renowned accrediting bodies.
