*“An investment in knowledge pays the best interest.” – Benjamin Franklin*

# Overview

If you are willing to make effective use of your industry skills and employ existing knowledge in unique ways to your professional field, then this Professional Doctorate will provide you with the requisite knowledge to help you achieve that. The online independent research phase differentiates the Professional Doctorate from a PhD degree and adds more to your expertise. The Professional Doctorate recognizes your practical work experience and mastery of areas (such as curriculum and instruction, educational administration, special education, teaching etc.) and mainly lets you further explore the ways to apply the existing theories and knowledge to your area of work to strengthen your professional practice and qualify you for top positions within your field.

## Objectives

- To deepen your understanding of the functional disciplines of your profession
- To participate in action research based on real-world issues related to your current work
- To provide practical solutions to current issues
- To serve as an authority and leader in your profession
- To promote positive change in your industry

## Outcomes

**By the end of this course, students will be able to:**

- Increase professional expertise in the workplace
- Gain an increased sense of confidence in a specialized field of work/career
- Enhance specific job-related skills and competencies
- Create unique competitive advantage
- Contribute efficiently with such a ground-breaking qualification

# What does a Professional Doctorate comprise?

An important difference in the format of Professional Doctorate is that there is no need for increased subject-specific training as you are already a subject matter expert with your years of experience.

## ACT's Professional Doctorate involves the following stages:

- ✓ Complete the Point Based Application form to check your eligibility
- ✓ Coursework 1 – Steps in Research Design\* - 30 ECTS
- ✓ Coursework 2 – Understanding Education as a Discipline\* - 30 ECTS
- ✓ Complete a Research Paper of 15,000 words – 90 ECTS
- ✓ A live online Thesis Defense in front of a panel – 30 ECTS

### **Total - 180 ECTS**

\*Through the course work, an individual will become familiar with the theoretical problems relevant to their professional field and reflect on how they can integrate these into their own research project.
